4+ Years driving product design across SaaS, Fintech, Healthcare, and beyond. I leverage deep user research and product strategy to deliver dev-ready UI that drives measurable business growth.

Experience

UI UX Designer - JUL 2025 - PRESENT

Veeble Softtech Solutions, Kochi (Cloud & Hosting)

Led a global brand and product overhaul, modernizing the digital presence through deep competitor and user research. Redesigned the end-to-end identity and unified the UI across high-traffic sites and core service dashboards.

UI UX Designer | JUL 2024 - JUL 2025

ExTravelmoney Technosol PVT LTD, Kochi (Fintech)

Re-engineered complex currency booking and KYC flows by scaling a unified design system across Web, PWA, and internal dashboards. Combined UX research with technical feasibility to significantly boost transaction completion rates.

Junior UI UX Designer | AUG 2023 - JUN 2024

Cordova Educational Solutions PVT LTD, Trivandrum

- **Motusone(Logistics):** Designed complex TMS for global events, specializing in real-time tracking, VIP operations, and venue logistics.
- **SEED(EdTech/Healthcare):** Directed UI UX strategy for an inclusive assessment platform featuring accessible dashboards for diverse cognitive needs.
- **Loyaltri(HRMS):** Built a comprehensive HR ecosystem streamlining payroll, analytics, and the entire employee lifecycle.
- **Benchmark by Cordova(School ERP):** Developed a digital ecosystem managing administrative tasks, academic delivery, and student progress.

UI UX Designer & Frontend Developer | NOV 2021 - AUG 2023

GoogleMe Solutions PVT LTD, Kochi (Digital Marketing)

Delivered custom React/WordPress sites, improving page load speeds by 30%. Integrated with a cohesive suite of digital marketing assets and graphic creatives.
